## The Santa Cruz

2 Station Restroom Trailer • Dimensions: 10' x 6'

Up to 150 guests for 6 hours

Guests will appreciate this private two station restroom trailer which includes hands free flushing toilets, sinks with metered faucets, vanity, mirror and stereo system. The soft music and climate-controlled environment provide a pleasant and comfortable atmosphere. A dedicated men's and women's suite each with its own separate entrance. Interior and exterior lighting, handrails, and red and green occupancy lights that can be seen from a distance. We promise your guests will be impressed.

## The Manhattan

3 Station Restroom Trailer • Dimensions: 12' x 7'

Up to 250 guests for 6 hours

The Manhattan offers a clean and classic style from backyard weddings to corporate events. A dedicated men's, women's, and unisex suite each with private entrances can accommodate up to 250 guests. Elegantly constructed with wood grain vinyl flooring, crown molding, handwashing sinks with metered faucets, liquid hand soap, and disposable paper towels. Each suite is climate controlled to neutralize all weather conditions and provide guest with a first class restroom experience.

## The Santa Fe

2 Station Restroom Trailer • Dimensions: 8' x 6'

Up to 150 guests for 6 hours

The Santa Fe will impress your guests with comfort and sophistication. Its diversified interior makes it ideal for backyard parties and small events or commercial setting such as remodel projects. Each suite includes wood grain vinyl flooring, large vanity area, handwashing sinks with metered faucets: liquid hand soap and disposable paper towels. In addition, the unit is climate controlled to neutralize all weather conditions and provide guest with a comfortable restroom experience.

## The Phoenix

8 Station Restroom Trailer • Dimensions: 8' 6" x 22'

Up to 700 guests for 6 hours

Our 8-station restroom trailer's spacious floor plan caters to guests in any commercial setting such as high capacity events, corporate functions and remodel projects. Two separate climate-controlled rooms that include vanity and mirror, handwashing sinks with metered faucets and optional hot water capability: liquid hand soap and disposable paper towels. The men's room provides three urinals and one private restroom stall. The women's room provides four private restroom stalls. This unit is designed for both temporary and long-term rentals.
